SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

a. Solicitation W912CZ-06-R-0032 is amended to answer the following questions raised in regards to the solicitation:

Q: Is it expected that the Contractor will provide one full time certified system administrator at each location and to provide assistance to the base personnel as time permits for the repair and maintenance of the system?

A: Yes, One full time certified system administrator on site at all times with technical support.

Q. Section C.5.9 states that the contractor will assist in the installation of 20 new systems at each site. Is the assistance anticipated to be limited to the front end integration?

A: Yes and to provide assistance to the base alarm maintenance personnel for the repair and maintenance of the Post-Wide IDS system. The 20 new locations is an estimate and may not be an exact number of new installs. When new installations are required the contractor shall complete the drawings, system integrations and mapping of all new sensors and panels, in addition the contractor shall create all required accounts at the front end. The contractor shall provide DPW Alarm Maintenance installers with the technical assistance required to ensure all new installs are able to function properly at all locations on Post.

b. This amendment does **not** change the solicitation response date of **September 22, 2006, 2:00 p.m.**
